Services and Inmate Services)	

This matter comes before the Public Service Commission of South Carolina ("Commission") by way of the Application of DavelTel, Inc. ("DavelTel" or the "Company") for an order canceling its Certificate of Public Convenience and Necessity and granting DavelTel leave to withdraw its associated tariff. The Commission granted the DavelTel a Certificate of Public Convenience and Necessity to provide resold intrastate telecommunications services, including the provision of operator assisted services and inmate services in Order No. 98-525 issued July 8, 1998 in Docket No. 98-105-C.

DavelTel's Request for Cancellation, submitted by Robin Norton, Consultant to the Company, was filed with the Commission on March 29, 2001, and stated that DavelTel had ceased its operations for offering resell interexchange telecommunications service, including operator assisted and inmate services in the state. Additionally, DavelTel seeks to withdraw its presently filed tariff.

Upon consideration of this matter, the Commission finds and concludes that the request of DavelTel to cancel its Certificate and withdraw its tariff should be granted.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide resold interexchange telecommunications services, including operator assisted and inmate services, authorized by Order No. 98-525, dated July 8, 1998, issued in Docket No. 98-105-C is hereby cancelled, and the tariff filed by DavelTel is withdrawn.

2. This Order shall remain in full force and effect until further Order of the Commission.
